

SILVER SPIRIT NEW YEARS EVE 2018

Welcome aboard

Silver Spirit's Sydney New Years Eve Cruise is the highlight of the year. Our all inclusive evening with only 40 guests onboard ensures we avoid the crowds and enjoy a relaxing night in comfort and style.

HIGHLIGHT OF THE YEAR

Our Sydney New Years Eve Cruise is all inclusive. With canapés, standing buffet dinner and drinks included with the ticket price.

The evening is tailored towards a family friendly evening, with all ages welcome. Ambient music, sets the scene for a relaxing and enjoyable evening to end the year.

⚓ Harbour of Light Parade

BEST DRESSED VESSEL 2017 WINNER

Each year, Silver Spirit participates the Harbour of Light Parade. Tastefully decorated to accentuate her classic features with lights, Silver Spirit is one of only a handful of smaller vessels to join in the parade. As the previous year's winner, we have secured the best position on the harbour to watch the fireworks.

What does this mean for our guests? Absolute prime position to view both the 9pm and 12 midnight fire work displays. Unlike other boats on New Years Eve, Silver Spirit is able to cruise within the exclusion zone between the firework displays, allowing her guests to experience all the sights of Sydney.

It was a great cruise and we liked your hospitality and enjoyed the small company on your ship. We are very pleased that we chose your service. We left with very happy memories and as we saw NYE fireworks from various locations over the last few years, incl. The Opera House, I can tell you that yours was a far superior experience. HNY and a lot of success to you and your company.
